A One Day Virtual Workshop on

## **Career Prospects for the Students of English Language & Literature**

**Date: 5<sup>th</sup> July, 2021 - Time: 03: 30 pm onwards**

English Language and Literature has always been a multidimensional subject. However, due to lack of information, the students come to a conclusion that there are not enough opportunities for students of Language and Literature.

In order to bridge this gap of information (and to clear the clouds of misinformation), Department of English, Guru Nanak College organised a one day virtual workshop on “Career Prospects for the Students of English Language and Literature”. **Geetika Kohli Amla**, a multilingual author and educator (also a Voice for Peace) from Jammu was invited to conduct the workshop, which was an exhaustive 1.5 hours of deliberation dealing with ample options for the students of Language and Literature.

Around 140 students joined the live session. The event also witnessed the graceful presence of the former Principal, GNC – Prof. P. Shekhar. Dr. Sanjay Prasad, Principal, Guru Nanak College also made his deliberation by thanking the speaker of the day.

Prof. Amarjit Singh (Head, Dept. of English), Prof. Dipak Kumar, Ms Ghanishtha Verma and Ms Shivangi Pandey also joined the session.

The workshop was organized and coordinated by Dr. Varsha Singh (Asst. Professor, Dept. of English, GNC).
