Report 12th Induction Programme PRAVESH, 2022 DOVS: Bachelor of computer application Date: 24-09-2022

Change is inevitable. Transition period is always tedious. So is the transition for students from their school academics to professional curriculum. After joining a professional course and college, students need time to unwind themselves and to create new relations with fellow students also familiarize themselves with the new environment. Induction program helps in making freshers feel comfortable, creating opportunities to showcase their talents and interests and shape their character. An induction programme is a harbinger of various incampus & off-campus activities specially designed for entrants to fill the gap.

On Saturday, 24th September 2022, the Department Of Computer Application successfully organised its 12th Induction Programme to welcome the freshers of BCA 2022-25.

The programme started at 11.00 am in the multipurpose hall in bank more campus of the college. The college is keen to make the mother nature a better and green place, so continuing with this objective and create awareness for the same, the programme started with plants presented to all the eminent guests, members of the Governing Council and the teachers of the college.

After that, the guests, principal of the college and administrative functionaries of the department lit the lamp. The Lamp lighting ceremony formally recognizes the start of the new batch and symbolises of entry into the holistic education as well as shape a professional training for the students,

Induction Program is a beautiful combination of literary activities, cultural activities, personality development activities, Universal Human Values sessions. The event marked its beginning by the welcome Dance performed by Shreya Kumari followed by welcome speech presented by Dr. Sanjay Prasad, Principal of the college. He addressed the gathering and said that the college will focus on the main aspects leading to good education, a supportive,

nurturing environment and exposure to growing technological innovation. He further emphasised his speech on the MOOC programme STP curated by IIT Bombay asked students to get benefitted from it.

Further the president of the college Sardar R S Chahal blessed he occasion with his inspiring words and encouraged the students to work harder and follow a disciplined life for a successful future.

The induction speech of the event was delivered by Coordinator, BCA Prof. Pushpa Tewari. In her address, she talked elaborately about the functioning of the department, curriculum and activities of the BCA and also the report of the BCA programme of past one year on several parameters like the result of the students, placements of the students of final semester, various curricular and co-curricular activities conducted in the department. She also discussed about the steps taken by the department for the betterment of the students and explained the students about the functioning of the department and also about their curriculum and activities.

The event gives the students a complete platform to explore their cultural talents. The last flavour added to the event was group dance performed by Shreya and Tanu. The formal vote of thanks was presented by Prof. Uday K Sinha.

The programme ended with invoke of National anthem. The event was compered by Ankita and Bhawna of Semester-1.

After the programme, everybody joined the langar in Bada Gurudwara beside the college.
