IIT Bombay

Gurunanak College

Spoken Tutorial (ST) - IIT Bombay

FOSS Centre

About Spoken Tutorial – It is an audio-video method to learn Software. These are for Skills and to improve Academic performance. It is designed for self learning (no expert needed) and distance education mode (no need to leave campus). It is an NMEICT, MHRD, Govt. Of India funded national project so the courses, training, day to day guidance and certificates are all completely FREE of COST for life.

Purpose of Collaboration

The reason to initiate the **Your Institute Name** as a FOSS Centre for Spoken Tutorial is to give exposure and hands on learning of very useful FOSS/IT courses to your students, building their IT competency. **Gurunanak College**, as an FOSS centre will help to create buzz, awareness and spread of ST training in a smooth and fast reaching way to the various departments of different Institutes in Dhanbad.
